**Serbia: 530€/pax**

**Portugal: 275€/pax**

**Canarias: up to 180€/pax**

Please, do **NOT buy** tickets **before confirmation** from Mojo or your sending entity confirmation.

**save all tickets/invoices and boarding cards.**

Due to the new Spanish tax legislation, the reimbursement will be made through the partner organizations, since this new legislation does not allow transfers from non-profit entities to individuals. We estimate that the travel reimbursement will be on May 2024.

Spanish National Agency allows to stay up to 2 days before/after project, but in that case all cost of host and food will be covered by the participants themselves

In case you face fewer opportunities, please let us know to Mojo and your sending organisation in order to facilitate to you the travel process/purchase

# HOW TO GET TO TENERIFE

## AIRPORTS

TENERIFE HAS 2 AIRPORTS, TENERIFE NORTH (TFN) AND TENERIFE SOUTH (TFS)

TFN is nearest airport to PUERTO DE LA CRUZ, but flight conexions are mostly nationals and regional flights

TFS has a lot of international conexions, but it's so far. Usually, what you can save on price to flight to TFS you are going to expend later in bus conectivity (with high prices and long travel). So we recomend to travel to TFN.

## BUSES

From TFN you have directly buses number 30 and 343.

From TFS you have options directly with bus number 343, but mostly options you have to stop in Santa Cruz(capital city) and take another buses. <https://maps.app.goo.gl/VKjc4oaPKW2yHQFT9>
